

HISTORY

ANCIENT EGYPTIANS

Children will explore how this ancient civilisation lived, including: beliefs and rituals such as mummification, and the importance of the Nile.

MUSIC

POCKET TRUMPETS

A musician from Northumberland Music Service will be teaching your child how to play the pocket trumpet.

DT

DESIGN & CREATE A HAT

We will design and make a hat using ancient Egyptian Gods as our inspiration.

GEOGRAPHY

RIVERS

We will learn about the water cycle taking a particular interest in the River Nile, linking to our learning in History.

RELIGIOUS EDUCATION

CHRISTIANITY - GOD.

Stories told by Jesus will help us learn about what Christians believe about God, and the importance of Christmas for them.

COMPUTING

Computing systems and networks - connecting computers
Creating media - Audio editing

FRENCH

Our topic is "I'm Learning French" and we will be learning core vocabulary.

Curriculum Map 2021/2022 Class 2 – Autumn term

PE

We will learn to play invasion games and also be learning about movement in gymnastics and yoga.

PSHE

We will learn how we can be physically, emotionally and mentally well. We will also take part in Anti-Bullying Week, when we will learn how to recognise and help prevent bullying.

ENGLISH

Using the text '*Myths from Across the World*', by Anthony Horowitz and '*The Egyptian Princess*' by Shirley Climo, we will explore myths and work towards writing our own narrative to entertain.

As part of Black History Month, we will undertake a study of the poet **Benjamin Zephaniah**. Using the text '*Funky Chickens*' will help us to write our own poetry in a similar style.

MATHS

This term we will be focussing on Place Value and Number (Addition and subtraction).

We will be consolidating the vocabulary needed to allow us to confidently explain what we understand about numbers and their values, in order that we can then apply this to calculations and problem-solving.

CURRICULUM ENRICHMENT

Restoring Ratty trip - 22/09/21

European Day of Languages - 27/09/21

Science Week - 04/09/21- 08/09/21

Cross-country & Football at Bellingham - 20/09/21

SCIENCE

LIGHT

We will explore what light and dark means and how light behaves.

ANIMALS INCLUDING HUMANS

We will learn about nutrition and why it's important.
