

Reading

- Foster a love of reading and books across the whole school,
- Embed RWI phonics so that all children develop as confident readers.

Develop the curriculum

- Create medium and long term plans that show we what we want to do, how we will do it and what the impact will be,
- Pupils will produce high quality writing in all subjects,
- Make Science a priority.

Greenhaugh Primary School **School Development Plan 2021-22** *A small school with a big heart.*

Maths

- Ensure that the school uses a Mastery approach – fluency, variation, reasoning and problem solving,
- Develop fluency across the school.

EYFS

- Ensure that the new government framework is implemented,
- Update the indoor and outdoor provision.
